Policy re Home Use of School Owned Assistive Technology
(Pupils and Parents/Guardians)

Rationale

This policy, the terms and conditions and the attached agreement was compiled in line with Department of Education Circular 10/2013 in relation to essential assistive technology equipment for pupils with physical or communicative disabilities.

The purpose of the document is to ensure clear guidelines for home use of specialist equipment which has been recommended by the National Council for Special Education (NCSE) as being essential for pupils who have been diagnosed as:

- having a specific learning disability
- and/or sensory or communicative disability to the extent that their ability to communicate through the medium of speech or writing is materially curtailed
- where it is clear that existing equipment in the school is insufficient to meet the child's needs
- where without such equipment it will not be possible for such children to access the school curriculum

Any equipment purchased by the school under Department of Education remains the property of the school and should normally be kept in the school. However, the Board of Management may, in certain circumstances, allow the use of the equipment in the pupil's home. Such a circumstance might be where it is agreed that the pupil could potentially benefit from, or achieve a degree of improvement to their academic and educational performance, their learning and their completion of homework through the use of technical support or equipment such as a school laptop, C-Pen etc.

This agreement endeavours to ensure the safe custody and handling of the equipment when in the care of the pupil outside of the school.

Parent/Guardian will be required to read, in full, and agree to the Terms and Conditions attached to this policy.

This Policy and the Terms and Conditions and the Agreement were reviewed by School Staff, Board of Management and Parents' Association of Scoil Naomh Bríde during April 2023 and amended accordingly. The amended policy was proposed and ratified by the Board of Management on26th April....., 2023. Next review will take place during school year 2026/2027.
